UN Global Compact Letter of Commitment

Dear Mr Secretary-General

I am pleased to confirm that Dentons Europe LLP (including all of its subsidiaries and indirectly controlled affiliates - "Dentons Europe") supports the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our Firm, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Dentons Europe will make a clear statement of this commitment to our stakeholders and the general public.

We understand that as part of our commitment to the UN Global Compact, we are required to publish an annual Communication on Progress (COP) which should include a statement signed by the Firm's Chief Executive Officer expressing continued support for the UN Global Compact; a description of practical actions taken by our Firm to implement the ten principles; and a report on the outcomes of these actions. We commit to reporting on our progress within one year of joining the UN Global Compact, and annually thereafter.

We look forward to working with the UN Global Compact and our fellow signatories to build a more sustainable and inclusive economy in the years ahead.

Sincerely,

Tomasz Dąbrowski
Chief Executive Officer
