Dear Mr. Secretary General,

I am pleased to confirm that Turkish Society of HVAC & Sanitary Engineers (TTMD) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Encouraging our members to join the UN Global Compact
- Organizing learning and dialogue events, workshops and training for our members on the UN Global Compact and specific topics relevant to corporate sustainability
- Engaging our members in collective action and partnership efforts on key UN goals and issues in collaboration with the UN Global Compact
- Joining forces with the UN Global Compact to advocate the business case for key corporate citizenship issues to policymakers and the public
- Developing sector-specific tools and resources on corporate sustainability issues in collaboration with the UN Global Compact
- Providing expertise and/or the voice of our members to UN Global Compact working groups and special initiatives
- Supporting the development and activities of a Global Compact Local Network.
- Proposing and implementing partnerships on corporate sustainability and engage with other stakeholders.

TRK TESİSAT MHENDİSLERİ DERNEđİ
Turkish Society of HVAC & Sanitary Engineers

- Supporting UN Global Compact business participants as they implement and report on their sustainability efforts.
- Engaging with Global Compact Local Networks.
- Joining and/or supporting issue platforms and workstreams.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,
