Dear Secretary-General,

LETTER OF COMMITMENT AND SUPPORT FOR THE UN GLOBAL COMPACT

I am pleased to confirm that New Era Educational and Charitable Support Foundation supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

New Era Educational and Charitable Support Foundation is a unique organization whose mission is to build, support and empower teams of youth with capacities to emerge from a life on the streets, drugs and dysfunctional families, to becoming leaders capable of helping themselves and their communities. We are leading a movement that connects youth, educators and communities and empowers them to transform themselves from recipients of information and resources into valuable, contributing members of their communities.

Sincerely yours,

Dr. Emmanuel Ande Ivorgba, Msc.D
Executive Director
