Dear Mr. Secretary General,

I am pleased to confirm that West London Business supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- Continuing to organise learning and dialogue events and workshops for our members on topics relevant to corporate sustainability and the UN Global Compact;
- Engaging our members in collective action and partnership efforts on key UN goals and issues in collaboration with the UN Global Compact, particularly through the UK network;
- Joining forces with the UN Global Compact to advocate the business case for key corporate citizenship issues to policymakers and the public;
- Developing locally relevant (West London) sector-specific tools and resources on corporate sustainability issues, in collaboration with the UN Global Compact where this can add value;
- Providing expertise and/or the voice of our members to UN Global Compact working groups and special initiatives;
- Supporting the development and activities of the UN Global Compact Network UK; and
- Encouraging our members to consider joining the UN Global Compact.

We recognise that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public
