## RE: TTM Rail's Commitment to the UN Global Compact

6<sup>th</sup> January 2021

H.E. António Guterres  
Secretary General  
United Nations  
New York, NY 10017  
USA

Dear Mr. Secretary-General,

I am pleased to confirm that TTM Rail supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to review, update and where required implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. TTM Rail will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy. This includes:

- A statement signed by the executive director/s expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

We look forward to participating in the UN Global Compact, and making a positive difference as a result of this commitment.

Sincerely yours,

*Julian Khojasteh*  
General Manager / Director  
Transtech Melbourne Pty Ltd (t/a TTM Rail)
