Dear Mr. Secretary General,

I am pleased to confirm that **Eutopian** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- monitoring and promotion of technological innovation and its social, economic, political consequences;
- the dissemination of international experiences of creating open / smart communities in terms of quality of services, sustainable development, application of new technologies, digital transformation of processes and development of new models of economic growth;
- promotion of active participation in the processes of democratic innovation and digitalization, deepening technological, economic, social, ethical, managerial and cooperation aspects;
- policymaker engagement and interaction with the institutions and with the intermediate bodies of the democratic debate (parties, unions, think tanks);
- security and protection of personal data, and in general the protection of digital identity;
- inclusion, diversity, leadership development.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress *within two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Roberto Reale
President
