Dear Mr. Secretary-General,

We are pleased to inform you that Ghana Employers Association (GEA) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption.

GEA has been at the forefront of promoting industrial harmony at the enterprise level through the use of social dialogue and negotiations with the government and organized labour towards creation of peaceful industrial relation environment. With this commitment we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and general public.

We pledge to take part in the activities of the UN Global Compact where appropriate and feasible by participating in Country/Local Networks and engaging in partnership projects.

Thank you.

Yours faithfully,

ALEX FRIMPONG
