Dear Mr. Secretary-General,

I am pleased to confirm that „Cluster for accessible tourism” supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence, and we will make a clear statement of this commitment to our stakeholders and the general public.*

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in the Country/Local Networks, involvement in specialized initiatives and workstreams; engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communication on Progress.

Sincerely yours,
