Dear Mr. Secretary-General,

I am pleased to confirm that the Donbas Regional Department of International Academy of Ecological Safety Sciences and Life Activity supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress, reports at development of Local Networks.

We send you the additional information about statutory activity of our organization. Donbas regional department of International Academy of Sciences of Ecology and Life Safety (DRD IASELS) was registered by the Ministry of Justice of Ukraine on January 18, 2001, has the status of a legal person, and according to the Articles of Association is a scientific and technical association. The organization consists of 156 members (we ask to make changes in DRD IAELS Application ID: 15256).

Main specialization: environmental and anthropogenic safety; enlightenment; education and training; emergency safety. Since 2008 till 2012 the organization is the permanent member and co-organizer of the international ecological forums, which are annually held in Donetsk. The theoretical and practical tasks of the forums are support of regional and local authorities, business structures and other interested parties with theoretical and practical recommendations and international experience, which needs them for priority and step-by-step solutions of economic, social and ecological problems of the industrial region.

For the period 2012-2015 the organization has voluntarily shared obligation to give the theoretical, practical and methodical assistance in creation of the local network of UN Global Compact members within the limits of realization of the local initiative projects in two industrial cities of Donetsk region.

Sincerely yours,
Debelyi Volodymyr Leonidovych

President
