Dear Mr Secretary-General

I am pleased to confirm that Keppel Land Limited has reaffirmed our support to the 10 principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. The enclosed Sustainability Report 2018 serves as our Communication of Progress to the Global Compact.

We will continue to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and operations of our company, and to engage in partnerships to advance the broader development goals of the United Nations.

We will also continue to report our efforts in integrating these principles into our businesses with the annual submission of a Communication on Progress to the Global Compact.

Yours sincerely

Dear Mr. Secretary-General

I am pleased to confirm that Keppel Land Limited supports the principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and operations of our company, and to engage in partnerships to advance the broader development goals of the United Nations.

We will abide by a key requirement in the Global Compact on the annual submission of a Communication on Progress detailing our company's efforts to implement the ten principles.

Yours sincerely,

Ang Wee Gee
