Dear Mr. Secretary-General,

I am pleased to confirm that Tunisian Leaders' Organization (*Organisation des Leaders Tunisiens*) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country or Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Tunisian Leaders' Organization is proud to be counted among the number of responsible organizations that are supporters of the Global Compact and we look forward to a long partnership with the United Nations to advance the Compact's basic principles.

Sincerely yours,

**Walid Khaldi
Chairman, Board of Directors**
