I am pleased to confirm that Development Reality Institute supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance participation in Country /Local Networks; involvement in specialized initiatives and work streams; engagement in partnerships projects and reviewing and providing commentary to participating companies on their Communications on Progress.

Yours Sincerely
