Dear Mr. Secretary-General,

I'm pleased to confirm that *Namibia Business School* (NBS) supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance those principles within our sphere of influence, and we will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialised initiatives and work streams, engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Mac Hengari
