Dear Mr. Secretary-General,

As passionate JCI members, we are pleased to confirm that **JCI Suriname** supports the ten principles of the Global Compact with respect to human rights, labor, environment and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible - through, for instance participation in Country/Local Networks; involvements in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Marciano S. Lie A Young
