Dear Mr. Secretary-General

I am pleased to confirm that Imagem Sistemas de Informações Ltda supports the ten principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Imagem Sistemas de Informações Ltda will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's effort to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact, and bi-annually thereafter according to the Global Compact COP policy.

Sincerely yours,

Enéas R. Brum
President
