Dear Mr Secretary-General

**EXPLOSIVE LEARNING SOLUTIONS LIMITED COMMITMENT TO THE 10 GLOBAL COMPACT PRINCIPLES**

I am pleased to confirm that Explosive Learning Solutions Ltd, United Kingdom supports the 10 principles of the Global Compact with respect to Human Rights, labour, the environment and anti corruption.

With this communication, we express our continued intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its UN defined principles an additional part of our strategy, culture and day to day operations of Explosive Learning Solutions, and engaging in collaborative projects which advance the broader development goals of the United Nations in all requirements and programmes. Explosive Learning Solutions will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that the key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the 10 principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact and annually (by 20 April 2013 onwards) and thereafter according to the Global Compact CoP Policy.

Sir, I have the honour to be  
Your Obedient Servant  
James Convery,  
DIRECTOR, Futures, Explosive Learning Solutions Ltd
