Dear Mr. Secretary-General,

I am pleased to confirm that the World Organization of Natural Medicine (WONM)-Clinics for Humanity supports the ten principles of the UN-Global Compact with respect to human rights, labor, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public. In addition we also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and work streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Dr. Sheila McKenzie

President
