Dear Mr. Secretary-General,

It is with great pleasure that I confirm that the Swiss children's charity Plan International Switzerland, fully supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks, involvement in specialized initiatives and workstreams and engagement in partnership projects.

Sincerely yours,
