Dear Mr Secretary-General

SIGNING OF UNITED NATIONS GLOBAL COMPACT

I am pleased to confirm that Transnet SOC Limited ("Transnet") supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance these principles within our spheres of influence. We are committed to making the Global Compact and its principles, part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millenium Development Goals.

Transnet recognises that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress ("COP") that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

We look forward to supporting the United Nations in its Global Compact endeavours.

Kind regards
