Dear Mr. Secretary-General,

Turkish Chamber of Commerce in China (ÇTTO) is an independent, non-partisan, not-for-profit, trade organisation governed by its membership. CTTO's aim is to foster promoting trade, economic and technological cooperation between its members and the Chinese counterparts.

I am grateful to confirm that ÇTTO, supports the ten principles of the United Nations (UN) Global Compact with respect to human rights, labor, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks' involvement in specialized initiatives and work streams; engagement in partnership projects' and reviewing and providing commentary to participating companies on their Communications on Progress.

Please do involve our team at info@cinturkiyeticaretodasi.com in your loop that is related to this or other UN initiatives.

Sincerely yours,

Mr. Onur Yalcintas

President, Turkish Chamber of Commerce in China
