LETTER OF COMMITMENT

Dear Mr. Secretary-General,

I am pleased to confirm that “**Architecture, Construction and Design**” **Public Union (ACDPU)** supports the ten principles of the **UN Global Compact** with respect to human rights, labour, environment and anticorruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible - through, for instance, participation in Country/Local Networks, involvement in specialized initiatives and work streams, engagement in partnership projects and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

**Prof. Dr. Sabir ORUJOV
Chairman of ACDPU**
