10/12/2012

Dear Mr. Secretary- General,

I am pleased to confirm that Scanmed Multimedis S.A. supports the principles of the Global Compact with respect to human rights, labor, environment and anti-corruption. Scanmed Multimedis S.A. is a socially responsible company, an important part of our mission is providing a positive impact on our environment. We do it through various tools, for example health education activities, supporting foundations and organizations, having a good relationship with local government and local societies. Corporate Responsibility is an important part of our strategy and management philosophy.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles parts of the strategy, culture and day-to-day operations of our company, and engaging in collaborative projects which advance in broader development the goals of the United Nations, particularly the Millenium Development Goals. Scanmed Multimedis S.A. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that the key requirement for participation in Global Compact is the annual submission of Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining Global Compact, and annually thereafter according to the Global Impact COP policy.

Sincerely yours,

Joanna Szyman
CEO, Scanmed Multimedis S.A.
