Dear Mr. Secretary-General,

I am pleased to confirm that the World Child & Youth Forum, a child-rights initiative taken by the Royal Family of Sweden, supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible-through, for instance, participation in Country/Local networks, involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their communications on progress.

Our forum will work closely with new and existing networks, focusing particular on child rights and businesses. Hence, we hope to be working very closely with the head office of UNGC as well as your local networks.

Sincerely yours,
