Dear Mr. Secretary-General,

I am pleased to confirm that **loggia, gestión de patrimonio cultural, s.l.u.** supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. **loggia, gestión de patrimonio cultural, s.l.u.** will make a clear statement of this commitment to our stakeholders and the general public.
