LETTER OF COMMITMENT

Dear Sir,

The Union of Small and Medium Enterprises (UNISAME) hereby commits to the ten principles of the Global Compact and to partake in activities of the Global Compact where appropriate and feasible.

We wish to become members of Compact Global and request you to enroll us as members of your compact and oblige. We are impressed by your 10 point programme relating to Labour, Human rights, environment and anti corruption and we commit ourselves to work for the cause diligently and sincerely and assure you of our best efforts in this direction with zeal.

UNISAME is a volunteer forum dedicated to the protection and promotion of SMEs in Pakistan. It was established, by a few dedicated professionals from various segments of the economy (i.e. Consultants, Exporters, Importers, Manufacturers and Small to Medium Sized business owners), for contributing to the SME sector's development.

The Union's first and foremost objective is to voice the concerns of entrepreneurs operating in different sectors of the economy all across Pakistan and co-ordinate with relevant private and public sector bodies to launch a drive against the impediments to the SME sector.

We look forward to hearing from you.

Regards,

Zulfikar Thaver President UNISAME ( [www.unisame.org](http://www.unisame.org))
