Letter # 01/2013/RH

Ban Ki-Moon  
General Secretary  
United Nations  
New York, NY, 1007

Mr. General Secretary,

It's our honor to inform that the Grupo 5 Estrelas agrees and complies with the Ten Principles of the UN Global Compact related with the Human Rights, Labour Rights, Environmental Rights and Anti-Corruption policies in all its forms.

We want to express through this letter our deep commitment of embrace and propagate such principles in our community. Furthermore we commit our organization with the Global Pact and its principles in a way to adapt our company culture, strategies and daily operations to promote the Global Compact principles to our workers, clients and the general public. We also pledge our full support to the Millennium Development Goals (MDGs) in order to promote its policies and goals.

We recognize that it's a fundamental requisite to our participation to present annual reports, also known as Communication on Progress (COP). We understand that this report must inform what efforts are being made by our organization to implement such principles. We agree on sending the required reports in order to ensure the transparency of our informations. We will inform in this report the progress of the actions taken during the year in order to implement the Global Compact and fully adhere to its policies and then send every year an update report in accordance with the COP of the Global Compact.

Sincerely,

Leonardo Cavalcanti Prudente
