Dear Mr Secretary General

I am pleased confirm that Hortipor Export Lda supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principals within our sphere of influence. We are committed to making the Global Compact and its principles part of strategy, culture and day-to-day operations of our company and to engaging in collaborative projects which advance the broader development goals of the United Nations particularly the Millennium Development Goal, Hortipor Export Lda will make a clear statement of this commitment to our stakeholders and the general public

We recognize that a key requirement for the participation in the Global Compact is the annual submission of a communication on Progress (COP) that describe s our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy

Sincerely yours
