Dear Mr. Secretary General,

I am pleased to confirm that Gaziantep Genç İşadamları Derneği - GAGİAD (Gaziantep Young Businessmen Association), supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress when possible.

Sincerely Yours,

Taner Özdurak
