Dear Mr. Secretary-General,

I am pleased to confirm that Biosierra A.C., supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through for example, local and country wide networks; involvement in specialized initiatives and workstreams, engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communications on Progress.

Yours sincerely
