Dear Mr. Secretary-General,

With this communication, we express our intent to support and advance those principles within our sphere of influence. We commit to making the Global Compact and its principles part of the strategy, culture and day-to-day teaching, education and research of our Faculty and undertake to make a clear statement of this commitment - both to our Faculty members, partners, students and alumni as well as the general public. We support public accountability and transparency and will report on progress made in a public manner.

Sincerely yours,
