Dear Mr Secretary-General

**COMMITMENT TO THE TEN GLOBAL COMPACT PRINCIPLES**

I am pleased to confirm that Glasgow Caledonian University supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through for instance, participation in country/local networks; involvement in specialised initiatives and work streams ; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress. The Glasgow School *for* Business and Society, on of our Schools, will lead the University's participation in the UN Global Compact, and the main point of contact will be Dr. Alec Wersun.

Yours sincerely
