USA

Dear Mr Secretary General,

As a company Selectronic Ltd are pleased to confirm that it supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this letter of confirmation we express our intention to progress the principles behind this Global Compact to our customers and suppliers by making it core to our future strategy and approach. As a company who work by targets and goals we will be empower all our staff to be aware of the Millennium Development Goals and by our actions look to make a clear statement of this commitment to all who are involved with our business.

To ensure we are updating continuously our progress we will be submitting an annual submission of Communication on Progress (COP) that will summarise our company efforts to implement the ten principles. We will at all times look to be public accountable and transparent in our dealings in under the Global Compact Agreement and its inherent policies.

Yours sincerely

Mr Kevin Dry
Managing Director.
