Dear Mr. Secretary General

I am pleased to confirm that Atelier 2000 Uniforms-skrædderi A/S supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its ten principles a part of our strategy, culture and day-to-day operations of our company, and to engage in collaboration projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Atelier 2000 Uniforms-skrædderi A/S will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within a year of joining the Global Compact, and annually thereafter according to the Global Compact COP Policy.

Yours sincerely

Heidi Moisen
