Dear Mr. Secretary-General,

I am pleased to confirm that Crossroads Foundation supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress. We have, of course, already undertaken significant work with the Global Compact on the development of the new UN & Business website to be launched this year.

Sincerely yours,

CROSSROADS FOUNDATION
