Sample Commitment Letter for Non-Business Organizations

Date: 2009-05-13

Dear Mr. Secretary-General,

1/1

I am pleased to confirm that the Danish Association of Architectural Firms (DANSKE ARK) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

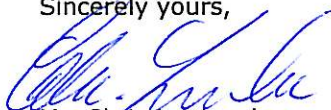

Journalno.: 208

Ref.: CL/mk

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and work streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

Mr. Christian Lerche
Executive Director
