Dear Mr. Secretary General,

I am pleased to confirm that [name of the organization] supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anticorruption. With this commitment, we express our intent to advance these principles within our spheres of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way

- Take part in UN Global Compact activities and programs
- Collaborate with UN Global Compact in all our community, regional, National and grassroots programs
- Send report and initiatives to UN Global Compact as a measure of outcomes, performance indicators were met in the course of our programs
- Recommend relevant policies and programs to enable Global Compact implement the ten principles in areas of human rights, education, health, sustainable development and environment with regards to children.
- Include the ten principles and polices of Global Compact on our website

We recognize that a key requirement for participation in the Global Compact is the biannual submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two year's of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Dr. Ada C. Okika
