Two International Conferences in the year of 2012 and 2013 was held respectively in India and Bangladesh in association with Government of India, Government of Bangladesh, The central Bank of Bangladesh (Bangladesh Bank), International Organization like GIZ, CIRDAP, Swisscontact, UN Global Compact network -India, Industry Association (Bangladesh Employers' Federation, Dhaka Chamber of Commerce & Industries). SR Asia in Bangladesh has already done two national conferences in the year 2012 and 2013 respectively with the support of NPO and APO Japan including Industry associations and private sector organisations. We also promote CSR through workshop, seminar and capacity building programs, conduct survey for in-depth analysis and hope much more to follow in the times to come.

With this commitment, we express our intent to practice these principles within our spheres of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way (s):

2. Develop CSR Profile of organizations through projects.
3. Baseline Assessment of organizations to guide their Organizational CSR Profile.

We would like to participate as Civil Society –Non Business UN Global Compact

We recognize that a key requirement for participation in the Global Compact is the biannual submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.
