Dear Mr. Secretary-General,

I am pleased to confirm that ECCA Nepal supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

ECCA Nepal has been working on sensitizing private sector in responsible business issues through Socially Responsible Business Development Network (SRBDN [www.srbdn.org.np](http://www.srbdn.org.np)) forum. It has also been promoting different campaigns (such as plant a tree, lights for all, school environment program and safe drinking water) which directly or indirectly support the Millennium Development Goals (MDGs). ECCA Nepal has been approaching private sector to partner up for these campaigns to achieve the MDGs.

Sincerely yours,

Mr. Prachet Kumar Shrestha  
Chairperson
