Dear Mr. Secretary-General

I am pleased to confirm that Jesmin Agricom Pvt.Ltd supports the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the Global Compact and its principles part of strategy, culture and day-to-day operations of our company, and to engaging to collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Jesmin Agricom Pvt.Ltd will make a clear statement of this commitment to our stakeholders and general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a communication on Progress [COP] that describes our company's effort to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within *one year* of joining the Global Compact, and annually thereafter according to the Global Compact COP policy. That includes

- A statement signed by the chief executive expressing continued support for Global compact and renewing our ongoing commitment to the initiative and its principles. This is *separate* from our initial letter of commitment to join the Global impact
