Dear Mr. Secretary General,

I'm pleased to confirm that **Impegno Civile** supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this commitment we express our intent to support to the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public

We also pledge to participate in and engage with the UN GLOBAL COMPACT in the following ways (stakeholders forum, reports of our truck records once per year, regarding our social priorities concerning the city of Bari we live in, we will organize an ethics board in charge in order to follow the working in progress to discuss the top priorities following the 10 principles, we will find and commit a sustainable manager as a representative specialist in charge of the ten principles)

We recognize that a key requirement for participation in the **Global Compact** is the submission of a Communication on Engagement that describes our organization's efforts to support the implementation of the ten principles and to engage with the **Global Compact**. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the **Global Compact** and every two years thereafter according to the Global Compact COE policy.

Sincerely yours.

Domenico Di Paola  
President of Impegno Civile
