Dear Mr. Secretary General,

I am pleased to confirm that SUSDS supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the UNGC promoting these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UNGC in the following ways: participating UNGC regional/national events, seminars, online survey and providing feedback on executing ten principles and latest trends pertinent to aforementioned issues.

We recognize that a key requirement for participation in the UNGC is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the UNGC. We support public accountability and transparency, and therefore commit to report on progress every two years after joining UNGC according to UNGC COE policy.

Sincerely yours,

Founder of SUSDS
