Dear Mr. Secretary-General,

I am pleased to confirm that EU-Malaysia Chamber of Commerce and Industry (EUMCCI) support the Ten Principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

Using our very active and dynamic CSR Committee as a strong platform, and through the publication of our CSR best practices manual, we are committed to championing the Ten Principles of the Global Compact amongst our members, our bi-lateral partners and the wider Malaysian business community towards achieving the Millennium Development Goals.

Sincerely yours

Mr David Jones
