### Dear Mr. Secretary-General

I am Pleased to confirm that "New International Christian University" is a Higher education wing of Leading Light Ministries Trust registered, established and maintained as per Constitution of India and educational standards. I am please to confirm that New International Christian University supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible- through, for instance, participation in 1. Deliver education on topics related to the Global Compact, 2. Conduct applied research and thought leadership in relation to the Global Compact, 3. Disseminate the Global Compact principles, 4. Provide support for UN Global Compact business participants in their own sustainability implementation and disclosure efforts, 5. Lend capacity to Global Compact Local Networks and/or the Global Compact Office

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement(COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely,

Rev. Dr. R.K. Samson Ph.D., DD(USA), Ph.D(SW)
