Dear Mr. Secretary-General,

I am pleased to confirm that The European Privacy Institute supports the ten principles of the UN Global compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in European Countries/local Networks; involvement in specialized initiatives and workstreams, engagement in partnership projects and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours
