Excellency Mr. Secretary General

I am pleased to confirm that M/s SAJHA FOUNDATION-Nepal supports to ten principles of the UN Global Compact with respect to Human Rights, Labour, Environment and Anti-Corruption. With this commitment we express our intent to support the Global compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: We are educating and training to the Higher School and College Youths empowering and enhancing them to boycott bribes from their home, first.

We started sharpening them to educate their relatives not be involved in any unlawful behavior which is defined as corruption. We are provoking them to insult the corrupt people.

We are launching a web portal (www.eujuri.com) where any Nepalese can complain for any sorts of Corruption. We are making tie with government's agencies who are directly involved to reduce corruption and who have Right to take an action.

This portal shall make people powerful to bring corrupt people name, address etc in public attention. We expect it shall raise grievance system high.

We recognize that a key requirement for participation in the Global Compact is the submission of a communication on Engagement (CEO) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and thereof commit to report on progress within *two years* of joining the Global Compact and every *two years* thereafter according to the Global Compact CEO policy.

Sincerely yours,

Jitendra GC
