Dear Mr. Secretary-General,

I am pleased to confirm that the FEDERACIÓN VALENCIANA DE EMPRESARIOS DE LA CONSTRUCCIÓN (FEVEC) supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

FEVEC is planning to organise seminars and speeches addressing its 1,000 associates to spread the Global Compact meaning, the content of its ten principles and the way to implement the principles actively in their entrepreneurial life.

Sincerely yours,
