Dear Mr. Secretary General,

I am pleased to confirm that Ohaha Family Foundation supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and and corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): Caring for climate, Child labour platform, Green industry platform, Human rights and labour, and CEO Water mandate.

We recognize that a key requirement for participation on in the Global Compact is the submission of a Communicate-on on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

John Ede
President
