Dear Mr. Secretary- General,

I am pleased to confirm that *Sanctum Inle Resort* , Mine Tauk Village, Nyaung Shwe Township, Shan State, Myanmar, supports the ten principles of the Global Compact on human rights, labour, environment and anti - corruption. With this communication we express our intent to implement those principles.
We are committed to making the Global Compact and its principles part of the strategy, culture and day to day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations.
Sanctum Inle Resort will make a clear statement of tis commitment to our stakeholders and the general public.

We recognize that a key requirement for the participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles.
We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.
This includes:

- A statement signed by the chief executive expressing continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the Global Compact.
- A description of practical actions that the company has taken (or plans to undertake) to implement the Global Compact principles in each of the four areas (human rights, labour, environment, anti-corruption)
- A measurement of outcomes (for example the degree to which targets/performance indicators were met, or other quantitative or qualitative measurements of results).

Sincerely yours,

Ms Su Su Tin
