Your Excellency,

I am pleased to confirm that Philanthropy International Organization (P-I-O) supports the ten principles of the UN Global Compact with respect to human rights, lab our, environment and anticorruption.

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our founders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

1. Our work is to help the neediest people regardless whom and where they are. Taken our solemn humanitarian approach, we also share all international, governmental and nongovernmental organizations their principles in achieving the dream of a green and peaceful world without poverty and hunger. To this end, we have recognized and we do endorse the following principles.

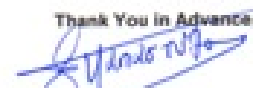

2. Our work is through activities which should strength: Human Dignity, Gender Equality, Empowerment, Leverage, Interconnectedness, Sustainability, Social Transformation and Decentralization, as it is stated on our web page of P-I-O.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely Yours,

Thank You in Advance,

E. Papastylou
President
