Dear Mr. Secretary General,

I am pleased to confirm that African Agency for Integrated Development (AAID) supports the ten principles of UN Global Compact with the respect of Environment, Human rights, Labor and anti-corruption.

With this information and comment, we express our intent to support the Global compact advancing these principles and will make a clear statement to this commitment to our stakeholder and the General public.

We also pledge to participate in and engage with UN Global Compact in the following way(s):

- Engage with Global Compact Networks
- Join and /or propose partnership projects on corporate sustainability.
- Engage companies in global compact related issues.
- Join and or support initiatives and streams.
- Participate in Global Compact and local events

We recognize that, key requirements for participation in the Global Compact is the submission of a Communication and Engagement (CEO) that describes our organization efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency and therefore commit to report on progress within two years of joining Global Compact and every two years thereafter, according to the Global Compact CEO policy.

Sincerely yours,

KisemboAsuman  
Executive Director.
